1. The process which your application will follow is:
 - 1.1. Receipt of your application for on-campus residence will be acknowledged but this does not guarantee a place in residence;
 - 1.2. Your application will be sent to the Department of Housing, Living & Learning Programmes, for consideration;
 - 1.3. A selection process has to take place and only applicants who have been admitted into a university programme will be provisionally admitted into a university residence provided that space is available. Priority will be given to students who have obtained good academic results;
 - 1.4. Final acceptance into residence, for first year students, will depend on your final examination results. A letter of regret will be sent to you if you fail to get acceptance into residences as a result of not meeting the academic requirements as stipulated.
 - 1.5. Students are advised to come to residence only if they have received acknowledgement of admission to residence.

Students are grouped together so that common academic interests are shared and where opportunities to learn from each other are created.
4. As a first-year student, you may feel isolated, homesick, lost and unsure when arriving at university. Each first-year student will be part of a mentoring group and attendance of the mentoring sessions is compulsory.
5. All first-year students are expected to share rooms. There are shared rooms in Xanadu (South Campus) and Letaba (North Campus) for males and Melodi (South Campus) and Lebombo (North Campus) for females, and Oceana (Second Avenue Campus) for males and females in separate buildings.
6. All students are expected to access the Meal Management System (MMS). This is a meal booking and billing system that manages student meal accounts for purchases of meals at food outlets on the different campuses and manages the pre-bookings of meals at residences and other specific venues. Registering for the MMS is done during the official registration periods when students register for academic purposes as well as for accommodation. Each student will have their own meal account in the MMS where a record of all transactions will be kept. Money must be paid into the MMS in order to create a positive balance against which all transactions will be deducted.
7. NMMU accepts no responsibility for a student's personal property. Please ensure that you are insured against such eventualities.
8. Resident students undertake to be bound by the current residence regulations. Always ensure that the rules and regulations are well known to you as no excuse will be accepted to the contrary if challenged for misconduct.
9. There is a 24-hour security service to ensure the safety of students and their belongings. Close circuit cameras are situated in strategic places within the residences. NMMU's security and residence managers can be contacted at any time in cases of emergency.
10. In the event of space on campus not being available to you, it is recommended that you approach the off-campus, privately-owned residences (Latoria and South Point) or contact the off-campus accommodation manager for assistance.
